## **Frequently Asked Questions**

The Frequently Asked Questions section of the CMS website has been recently updated with new questions and answers and has been reformatted for easier access.

The FAQs have been sent to the State CMS Branch for statewide distribution via the website. The questions have been separated into SYSTEMS (the "how to" portion of the questions), POLICY (new policies or issues that have come to our attention as a result of system changes), and DENTAL (all issues related to dental regardless of policy or systems).

Following is the website link to access the Frequently Asked Questions:
